

NVYC Commodore's Report

We have an impressive and fully engaged crew and committee chair lineup this year, with all positions filled from Port Captain to Safety Officer, and with much committee work under way. Thanks go to our very active Social Committee, chaired by Gloria Atkinson and Angela Lewis, which has scheduled a full program of events for the year, several of which we have already enjoyed.

Thanks to Bob Weeks and crews, we had a very successful Crab Feed and St. Patrick's Day dinner of corned beef and cabbage. St. Valentine's Day was another event we all enjoyed. The committee provides meal planning, table and room decoration, for these themed dinner events. Check our website and newsletter for other proposed events coming soon.

Our Port Captain started the year with new and improved arrangements for scheduling dock reservations for cruise-ins. We are now linked to DOCKWA, an on-line network for reserving dock space for the SF Bay Area and beyond. The system works well, costs no more than before, and frees-up more of the Port Captains time for other work. Greg's cruise-in schedule already includes cruise-in reservations for 10 weekends, including the very popular Bottle Rock event.

Our insurance coverage was reviewed by Bob Weeks and Stan Blough, resulting in much improved coverage with another provider for the same cost we had been paying.

Our joint agreement with the Ohana Wa'a

Canoe Club has not been renewed for some time. An ad hoc committee chaired by Diane Brown has worked with our board and the Canoe Club to review and update our Memo of Understanding with them, and a final document is in preparation for signing. We will continue to work jointly with the Canoe Club on youth and waterfront related events, including Paddle Day, in the interest of community outreach.

New and improved clubhouse rental procedures began early this year, and are working very well, thanks to initial committee and board efforts, and to the smooth management of the new system by Tom Atkinson. We now have lower liability exposure through better insurance coverage, better record keeping and a more rational rate schedule.

Our ever diligent Membership Chair, Evelyn Silveri, reports that we have added 11 new memberships so far this year, for a current total of 99. Thanks largely to our PICYA/RBOC delegate, Maxine Maas, our club achieved a two star rating last year. With her guidance, we hope to keep this rating for the coming year.

Although only a few of our crew and committee volunteers are mentioned above, many more are hard at work in a continuous effort to improve our club, and will be reporting in future newsletters. Our thanks to all of you. Your Commodore,

Bill Moore

OPENING DAY ON THE BAY IS SUNDAY, APRIL 28, 2019

The 2019 theme is "Holidays on the San Francisco Bay." Don't miss a fun day on the San Francisco Bay. We need one parade boat from every club to make this year a success (Clubs are also encouraged to partner). If you don't have a boat, please join us for wonderful day out on the chartered PICYA committee boat. It is the ONLY boat allowed inside the parade perimeter and it is lifetime fun memory. Bring your friends and family. You do not have to be a yacht club member to participate. We are using Commodore Cruises this year out of Alameda. We will cruise the historic Oakland Estuary, under the Bay Bridge to the Blessing of the Fleet in Raccoon Straits before the parade. There is free parking and it is an easy drive to Alameda. We are excited about the great service and food this year. We will also be having our annual Commodore/Flag/Staff Officers photo on board so please make sure your club is represented.

OPENING DAY **ON THE BAY**

The theme for 2019 is Holidays on the Bay. Many boats will cruise "in squadron along the City-front" offering a unique opportunity for onlookers to view a deliberate parade of decorated boats. BOATS NOT DECORATED TO THEME OR FLYING FLAGS AND STREAMERS ARE ALSO WELCOME. The parade starts at noon at Crissy Field on April 28.

SKIPPER:

We need skippers to join in the parade along the city front to Pier 39. If you are an avid boater participating in Opening Day should be a bucket list event. You will have a ton of fun. We welcome all boats to join in the parade: not decorated, flags and streamers, or decorated to theme (Decorate your vessel to represent your favorite Holiday. With this theme, the possibilities are endless). Contact us for more information if you have questions.

Register at: <https://goo.gl/forms/BMSH35DBX SODwxcP2>

For More Information (Skippers Instructions, Maps, Etc.):

<http://picya.org/event/april-28-2019-opening-day-on-the-bay/>

TAKE A CRUISE ON OUR COMMITTEE BOAT (Yacht Club and Non-Yacht Club members welcome)

Come cruise on the beautiful vessel Cabernet Sauvignon operated by our sponsor Commodore Cruises and Events. This is the ONLY vessel permitted inside the parade perimeter. All parade participants will circle the committee boat and we will have the official announcer and judges onboard. The boat boards at 9am from Alameda and returns at 2:30.

\$85 Per person or \$825 for a table of 10
