COMMODORE'S REPORT

Alan Montague, Commodore

What a summer it has been!

Since the last newsletter came out in June, the club has been going full tilt. A quick look back through the calendar brings up such great memories of great days spent on the water or next to it, with club members and friends.

Most of the events and parties donated as Change of Watch auction items are summer events and they have been coming thick and fast. There have been cruises and parties galore, and you can read some reports about them in this newsletter. (Shameless plug: see Commadorable Sarah's report on the Pinot & Pizza on the Patio hosted by Terry and Janie Salinger.)

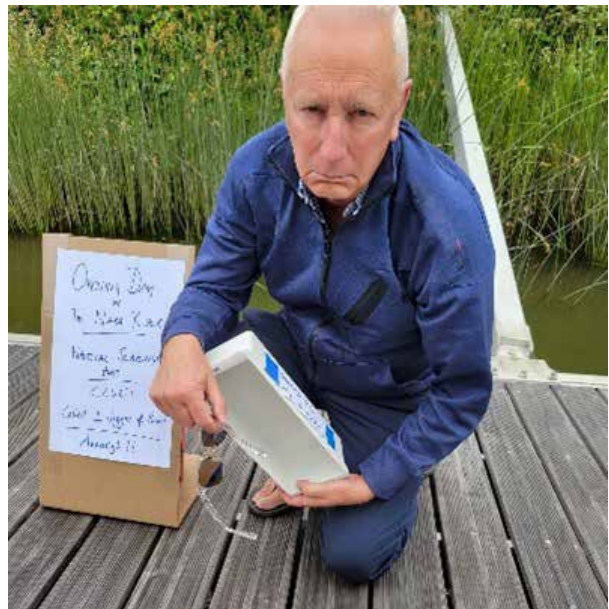

Our Club's first cruise-out of the year was to South Beach YC and the Giants game. Half a dozen boats, their crews and guests, and a bunch of land cruisers had a blast as the Giants beat the Orioles. We shared the box this year with members from South Beach, something we will certainly do again next year. Look for Rear Commodore Kim Nicol's article all about that.

Our Official Opening Day on the River started with a Blessing of the Fleet by Don Buresh and included a Scavenger Hunt put together by Commadorable Sarah. Take a look on our Facebook page for more pictures of

the teams as they made their way through the clues. Our Social Committee put together a great lunch to follow the hunt with Vice Commodore Chris Fultz grilling Tri-Tips to perfection on the Barbeque.

Club members on the Scavenger Hunt

Scavenger Jerry wants to know who took all the rum!

Into July and July 4th weekend was just crazy! A personal thanks to all who came on Friday to the Club and helped me celebrate my birthday. Thanks also to the folks who helped us decorate Treasurer Shari Fedler's ski boat and joined us on the boat as NVYC took part in the Napa Downtown July 4th Parade.

The NVYC 'Float' for the Downtown Napa July 4 Parade

We then rushed back to the club where we joined a dozen boats all decorated for July 4th with Flags, eagles, and a swan for some reason!

A full dock of decorated boats

The boats cruised the river and the neighborhoods to cheers from onlookers before returning to the club for a July 4th BBQ put on again by our great Social Committee Team led by Lori Fultz and Carla Banning with contributions from many, especially grill-masters Vice-Commodore Chris Fultz and Tary Salinger. Over 100 members and guests were involved in celebrating that weekend with our club!

Brunch at the Clubhouse

Hot on the heels was our first Sunday Brunch. We had no idea if anyone would show up, but boy did you folks turn up! Chris did not one but two runs to the store for extra food (and Bloody Mary mix!)

Friday dinners, under the new model are working out well. We have had some rave reviews about a few of the restaurants we are using. And folks clearly love the Pot Lucks and Burn Bring Your Own Meat Night. We are keeping a constant eye on food quality and options and prices ensuring that we have a great variety of food at a wide range of prices to keep the club open to all.

Club members on the Scavenger Hunt

We recently sent our first scholarship funds to PICYA for presentation to one of their selected applicants. My thanks to Scholarship Committee Chair Greg Parker for shepherding this process through. We also received a huge boost to the fund. An anonymous donor gave \$10,000 to the fund and now our scholarship committee is looking for deserving candidates to share in their generosity.

As we look forward to Fall, a lot is happening including Fridays, Happy hours, Brunches, and Cruise Outs.

Highlight dates in September and October for your schedules:

- Sept 3 Brunch
- Sept 9 Happy Hour
- Sept 15-17 Delta Cruise Out
- Sept 22 Q3 General Meeting
- Oct 6 Fleet Week Cruise Out
- Oct 20 Commodore's Cruise Out to St Francis YC

Finally, I want to welcome two members of the 'crew' who have stepped up to take on roles with the club.

Yvette Stahr took on the OD coordinator role and has been sending out the emails that entice folks to club events.

Bill Huie has taken over as newsletter editor and is making sure that you all stay well informed about what has been happening and what's to come.

As ever my thanks go out to them and everyone working so hard to create a fun place for us all, from Hosts setting up and checking folks in on a Friday to committee members and chairs who keep things going, Bar Captains and Bartenders who serve us large pour drinks with even larger smiles, and the Directors and my fellow officers.

It continues to be my honor to serve as your Commodore for this year.

Alan Montague

NOTES FROM YOUR BAR TEAM

We are all excited (and learning) about our new Square point of sale system. No longer do we have to take your credit cards hostage and hope you remember to pay the ransom at the end of the night. Feel free to pay as you go or keep your tab open . . . it's up to you.

We are still tweaking our wine list, just added Swanson Cabernet and Folie a Dux Merlot (both from Napa) and continue to upgrade our spirit selection.

Your bartenders are making some great Margaritas, now featuring Tres Agaves Margarita mix and you don't necessarily have to listen to Jimmy Buffett to enjoy them...however it does add to the enjoyment.

Keep an eye on the calendar for our monthly Happy Hours which feature \$2.00 off all alcoholic beverages and 20% off bottles of wine!

Cheers for now and see you at 'The Club'!

VICE COMMODORE'S REPORT

Chris Fultz, Vice Commodore

Hello my fellow Boating Enthusiasts!!

2023 is flying past us, it's Labor Day Weekend and I'm wondering what happened to the summer??

This past quarter has been jam-packed with great events and new experiences that are promising to become Club favorites and hopefully standards for years to come.

Let's get started . . .

The Galley

Our Galley has been hard at work putting together delicious meals and ensuring that our Friday night meetings/dinners as well as our special events leave you satisfied with plenty of great food and sweet treats to end your week or cap off a special day.

The Galley is always striving to provide new meals and offer our members dinners that are not only a good value for your hard-earned money but are also delicious. Our Galley Team, headed up by **Diana Garza**, are happy to help and ensure that your experience is enjoyable. They is always in search of a new resource for providing meals and eager to receive feedback (constructive criticism is always encouraged) to meet that goal. Please feel free to drop a suggestion in the suggestion box located in the restroom vestibule; we'd love to hear from you!

The Bar

Brian Wilson and **Mark Crisler** are the leaders of this dynamic team of individuals who work tirelessly to ensure your whistle has been whetted with your favorite libations. Along with the standard bar fare, the team is getting creative with drink specials to match the theme of the night.

This past quarter also ushered in the technological age to the Clubhouse, spearheaded by Brian Wilson, we now have a

Point of Sale system that not only tracks our bar sales but practically all items that have to do with money exchanges, dramatically improving our bookkeeping and ensuring we know how much money the Club is bringing in. The system also helps us see what items are popular so we can be sure the Club members are being presented with things they like. Great job Brian!!

The Social Committee

Lori Fultz, **Carla Banning**, and their incredible crew of SC volunteers keep the Clubhouse festive and beautifully decorated in whatever theme these Decorating Divas dream up. They are always brainstorming ways to celebrate something as well as keeping many of the Club's traditions alive! Their plans for the upcoming Fall events are sure to make you all happy!

We have two additions to our event calendar: Happy Hours and Brunches. Folks, these should be on your “to do” lists. The Brunches combine sharing a Sunday morning with your good friends along with delicious food and drink . . . simply a great way to kick off your morning. Happy Hours bring you two Club favorites: the Bar and scrumptious appetizers. Add hanging out with your friends, and you’ll have lots of fun!

These events are free of charge. They are funded by the Social Committee and the proceeds from the silent auction at the last Change of Watch. There is a donation jar at the door - please drop a few bucks in to help offset cleaning costs so the Club gets all shined up for the next event.

Thanks to our SC for making our events fun and inviting!

The Dock

Thanks to **Bob Fowles, Greg Parker and Tom Hildreth**, our waterfront ambassadors. These guys are typically the first contact guests have with the Club, and they work day and night to ensure our guests arrive safely and get what they need to have an enjoyable stay in our beautiful Valley.

A special welcome back and we are happy to hear you’re feeling better to Greg Parker who, in his words, had a “tough August.” Welcome back my friend - here’s to smooth sailing for the foreseeable future.

Officer of the Day

Welcome to our new Officer of the Day, **Yvette Stahr!** Yvette has deep roots in the Club with her father Dean and brother Kurt, Yvette is very familiar with the Club, its members and operations. Yvette hit the ground running and hasn’t looked back. She ensures our calendar is up to date and keeps our membership informed with the barrage of entertaining emails you receive weekly! These are only a couple of the many tasks Yvette oversees, and she’s “killing it!!” A

consummate team player and eager to take on any task, she is an asset for the Club and dependable team member behind the scenes.

Welcome Yvette, thanks for your help and keep up the good work!!

Well, there you have it. From an Operations perspective, The Napa Valley Yacht Club is steaming forward and ready to face the rest of 2023 with enthusiasm! See you on the water and at the Club!!!

Keep an eye on the website for our most up to date activities list!

Chris Fultz

WELCOME OUR NEW MEMBERS: THE PAANANEN FAMILY!

Dinia, Erik and daughter Colleen Paananen are our newest members! Sponsored by John Albrecht and Bob Fowles, Dinia is a registered nurse and Erik is retired. The family pilots a 22’ C-Dory.

REAR COMMODORE'S REPORT

Kim Nicol, Rear Commodore

Can you even believe it's already September? This year seems to be a complete blur . . . where did it go?? We've had so many fun events at the Club with our amazing theme nights spearheaded by our very own Lori Fultz and her incredible Social Committee, as well as the incorporation of monthly Happy Hours and Sunday Brunch. Many of our members attended Opening Day on the Bay, then Don Buresh blessed our fleet at our Opening Day on the River which included a scavenger hunt, incredible BBQ lunch, and live music! What a great day!

Cruise-Out season is in full swing after two great cruise-outs so far. South Beach Harbor was our first cruise-out of the year, which of course, included a Giants game because why would we go to South Beach and not go to a Giants game?? Avi led our most recent cruise-out to Benicia, which did not disappoint! If you missed either of these cruise-outs, you're in luck . . . we have more coming!

Our Delta Cruise-Out is scheduled for September 15 – 17 with Nick Courcoumelis as our Cruise-Out Captain again this year. Nick has been heading the Delta Cruise-Outs for a few years now, and with the many years he and Debra have spent on the Delta, he's sure to find another great spot for us! I grew up in Lodi and spent as many summer days as possible on the Delta boating and wakeboarding with friends, so Mark refers to that time of my life as the "Delta Days." The Central Valley is HOT in the summer, and since I've lived in Napa for nearly 25 years now, I'm not quite as acclimated to those hot temps as I used to be, but hey! We're going to be rafted up together on the water, so who

cares?! We're going to have a great time, and we would love to see as many of you there as possible. Unfortunately, this cruise-out doesn't allow for Land Cruisers because it's not near a marina, but if you have a boat and want to cruise over with us, we would be so happy to have you join us! If you haven't already signed up, be sure you let Nick know you'll be attending . . . we would love to see you there!

I'd like to thank Bill Huie for taking on the role of our new Newsletter Editor! Thank you, Bill, for taking the reins from Lorna who did a fantastic job over the past few years. We're super excited to have you on the team!

And thank you all for making our Yacht Club the 'Fun Club' we all love to be a part of! I look forward to seeing you all at the Club, on our Cruise Outs, and around town!

Thank you,

Kim Nicol

GIANTS GAME CRUISE-OUT

NVYC takes over Audi Legends Box Seat

Kim Nicol, Rear Commodore

June 2023 kicked off our first Cruise-Out of the season and marked our Second Annual South Beach Cruise Out/Giants game.

We mixed it up this year and invited the South Beach Yacht Club to join us in the box seat we'd rented for the game.

About 25 SBYC members attended, which was a lot of fun!

SBYC will be joining us at the game again next year. Tickets will sell out even faster than usual - be sure to get your tickets early so you don't miss out on the fun!

Coronado Cays Yacht Club Gets a Visit from the Nicols

In keeping with our Club's mission to foster community and interaction among yacht clubs both in California and around the world, Kim and Mark Nicol paid a visit to the Coronado Cays Yacht Club in San Diego in June. CCYC's clubhouse overlooks the San Diego Bay from the marina on the peninsula just down the road from the Hotel del Coronado.

Kim and Mark exchanged burgees with the Staff Commodore and met the Commodore.

Have you visited another YC recently? Let us know for the next newsletter!

BENICIA CRUISE OUT AUGUST 2023

A warm Friday in August, we packed up our boat and prepared for the Club's second Cruise Out of the year to Benicia Yacht Club. It turned out to be a small group of cruisers led by Fleet and Cruise Captain Avi in Waterfront, and with Read Commodore Kim Nicol with Mark in the Probable Cause and ourselves in the Easy Come, Easy Go, we headed south on the Napa River to Vallejo and turned left.

More experienced sailors know that the Carquinez Strait can produce swirly conditions; that was certainly true Friday! Sarah and I were running from our flybridge due to a minor mechanical issue and conditions reminded us just how much we need to respect the power of the tides and winds.

Once that somewhat scary moment had passed, we cruised into Benicia and docked our boat alongside Probable Cause. Time for a well-earned cocktail and some grazing, before heading to the 5pm cocktail hour hosted by Avi and Patricia on Waterfront when the Land Cruisers joined us before we headed up to Benicia YC for Dinner and Karaoke.

Saturday meant a slow start with several folks joining breakfast on Probable Cause and then the arrival of Chris and Carla Banning on the Starting Over. Some of the Ladies went on a shopping discovery trip while Mark, Chris and I returned to Benicia YC for a spot of lunch where more land cruisers beat us to it!

The afternoon got away from us before we headed to Dinner at Bella Siena and returned for nightcaps on the Waterfront again.

The cruise home was smooth sailing and we returned to Napa to clean our boats and get ready for the next cruise-out - thanks Avi for for organizing this great trip!

WANTED: Silent Auction Lots!

Last year's inaugural NVYC Silent Auction was the gift that kept on giving this year! Not only did NVYC support a PICYA maritime scholarship fund, Club Members had a lot of fun getting together as auction lots were "cashed in." Pizza and Pinot on the Patio at Chez Salinger was a magical night; The Mueller Margarita Pool Party went off with a splash; The Waterfront captained by Avi toured the Napa River with Jennifer as "Chief Stew," the Montagues are the proud owners of Hestan cookware; Pirates boarded The Black Pig (with kidnapped resort guests)...and more events are coming up later this year.

How might the Club top this philanthropy and festivity??? Well, the Social Committee will run NVYC Silent Auction 2.0 at this year's Change of Watch in December - Hurrah! We are looking for ideas to raise more funds for the NVYC Scholarship Fund and more fun for members in 2024. "How can I help?" you obviously ask. Well, . . .

Option 1: If you contributed an auction lot last year and would like to repeat it, THANK YOU! Please email or call me for 2024!

Option 2: if you haven't contributed an auction lot yet, let us help you get creative! Even the most modest contribution of your time and hospitality will help support a scholar and create lasting memories with your Club friends, new and old: weekends away, tickets to events, or luxury goods from your favorite winery! Hit me up at Club Dinners, email or call me!

There's a reason they call me (Not-so-silent) Sarah.

Love from your Commadorable,

Sarah Montague

Neil Young Visits Napa's Oxbow Riverstage

Legendary Canadian singer songwriter Neil Young visited Napa July 23 to play the Oxbow Riverstage. Chris Banning captained Starting Over with Stephanie and Bill Huie, and Candy and Brian Wilson along for the ride. After mooring at the downtown dock and good Mexican food at Los Agaves, all headed to the Oxbow Commons for a rare solo performance by the former CSNY and Buffalo Springfield star. Young's tour had a focus on repertoire he had not performed publicly, but he did close with perennial crowd favorite Heart of Gold.

NVYC Auction Lot: Pizza and Pinot on the Patio

Alan and I were lucky enough to be invited to join the incredible “Pizza and Pinot on the Patio” NVYC auction lot offered by Janie and Tary Salinger.

Pam Gottlieb, Ron Davis, John & Deborah Evans won the lot and invited us along with Stan & Dianne Jones.

Janie and Tary blew us all away with their hospitality, cuisine and wine selections. This accounting of the event will not do it justice. But I’m going to try anyway!

The Salingers’ beautiful home, complete with new sliding windows that fill the back wall overlooking the patio and river was set up for us in 3 different locations. Starting around the kitchen island with bubbles (Blanc de Noirs—in keeping with the theme) and an earthy, melted cheese with wild mushrooms dip/spread toasted to gooey goodness served with Janie’s homemade bread. This was paired with the Pinot Noir Cube project: 3 wines all from the same vineyard made by different winemakers!! And this was just the appetizer course!

Moving outside to the beautiful, nautically themed dinner table, we helped ourselves to asparagus salad before being presented with pizza after pizza. Tary showcased his craft at the pizza oven (burning at 900 degrees) on each of Janie’s delicious creations: her delicious take on pepperoni, potato, blue cheese, Alsatian and more. The Pinot Noirs from Oregon, Sonoma, Carneros and Russian River each bringing their different flavors to the dishes. We could not hold back!

After sunset we then moved to the outdoor lounge area for continued conversation and DESSERT—from the pizza oven!! A juicy berry crisp and a decadent cookie skillet—both with ice cream. Because hey, why not?

Janie and Tary, you brought us such pleasure! Thank you for your generosity for the lot to support our Club, and the opportunity to make incredible memories with you. Pam and Ron, thank you for inviting us. And to our lovely dinner companions—all our love!

River Critter Corner

Has anyone else noticed the small, white translucent jellyfish fluttering through the water near the surface of the Napa River recently?

Image courtesy of US Geological Survey

Turns out these are non-native, brackish-water jellies whose forebears were most likely Russian stowaways on a ship docked in the San Francisco Bay, first observed locally in the early 90s in Petaluma. Called Black Sea Jellyfish, or blackfordia virginica in fancy biology terms, they appear in the river when conditions are right for the eggs lying in the river bottom silt.

We've seen lots of them in the marina and at the public dock downtown, flapping their diaphanous cilia near the surface of the river.
